## ***10,001 WAYS TO LIVE LARGE ON A SMALL BUDGET*** **BY THE WRITERS OF WISE BREAD**

Call it a recession. Call it the new depression. Call it a bad economic climate. Call it a crash. It all amounts to the same thing. Times are tough, and we’re all being more careful about the way we spend money. That’s where the people at Wise Bread come in.

Wise Bread is a community of bloggers committed to helping us live large on a small budget. They believe, despite what you may have heard, that you don't have to sacrifice your financial independence to enjoy life. They believe, if you are living a truly frugal lifestyle, you’ll only appear to be paying top dollar for the finer things in life, even as your wallet stays fat and happy. Their guide is for a new generation of money-conscious readers—one that oozes class, loves having fun, and knows that life is exactly what you make of it (and not how much you make). Here’s just a tiny sample of the great tips from their first book *10,001 Ways to Live Large on a Small Budget* (May, 2009):
